YOUTH RESOURCE SERVICES (THE RENDEZVOUS, SHERBORNE) LTD

Trustees Report for the year ended 31 March 2023

Structure, governance and management

Youth Resource Services (The Rendezvous Sherborne) Ltd ('the Charity') is constituted as a company limited by guarantee and not having a share capital. The Trustees, who are also Directors of the Charity for the purposes of the Companies Act, present their report along with the financial statements of the Charity for the year ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out on pages 14-16 and comply with the current statutory requirements and the Charity's governing document.

Trustees

The Trustees named on page 3 have served during the year. Appointment of trustees is in accordance with the Charity's Articles of Association. The board is authorised to appoint new trustees to fill vacancies arising during the year. The Members of the Charity (who can also be Trustees) confirm the appointment of new trustees at each year's Annual General Meeting.

New Trustees undergo induction training to appraise them of their legal obligations under charity and company law, the Charity Commission guidance on public benefit, the content of the Articles of Association, the committee and decision-making processes, the business plan and the recent financial performance of the charity.

The Trustees are responsible for the governance of the Charity. The Board meet regularly six times a year. They have delegated authority for the day to day running of the charity to the Chief Executive. The Finance Sub-Committee is responsible for overseeing the finances of the Charity and making recommendations to the full Board. The Chief Executive attends all meetings of the Board and Finance Committee.

Investment Powers

The Trust Deed authorises the Trustees to make and hold investments using the general funds of the Charity, but no such investments are presently held.

Risk Management

Each year the Trustees actively review the major risks which the Charity faces and have established systems in place to mitigate these risks. A business plan is prepared each year and approved by the Trustees. As part of this process expected income and expenditure is carefully assessed to ensure the financial viability of the company.

Objects and Activities

The Charity's objects as set out in its Articles of Association are to help and educate young people in the Sherborne area through leisure activities and through advice, guidance, information, education and formal and informal training and to provide a meeting place and Youth Advice Centre where young people can meet in a safe and relaxed atmosphere.

Our Vision

A world where all young people are able to thrive

Our Mission

To improve the mental health and wellbeing of young people facing disadvantage (13-25) in the N Dorset/S Somerset area, providing them with the tools they need to live happy, healthy and fulfilling lives.

Overview

The Rendezvous has faced a year filled with challenges due to the ongoing impact of the pandemic and the emerging cost of living crisis but we are proud of the work we have done to make a difference to young people's lives. It is clear that the "post Covid normal" differs significantly from what went before. Lockdowns and the disruption to education have had a profound impact on young people. For some this has resulted in increased anxiety, fear, and a decreased inclination and confidence to participate. Many remain hidden at home, maintaining the habits formed during the lockdown period whilst others have reacted by displaying reckless behaviour putting themselves, and sometimes others, at significant risk. Our challenge has been to find ways to support young people whatever their needs in this changing environment.

Throughout the year, we have continued to offer a comprehensive range of services. The team have been working at full capacity although our numbers are slightly reduced as a result of the needs being more complex resulting in young people needing more support for longer. Our nurture groups have proved invaluable helping the most anxious and socially isolated young people learn to mix again with others and prepare them for re-entry into school or college, apprenticeships or employment. This increased complexity of need has unavoidably resulted in waiting lists.

- **Mental health and wellbeing support** – We have provided face-to-face, school-based, and telephone-based one-on-one support to address mental health concerns with anxiety prevalent.
- **Advice and information** – We have provided practical help and support for young people (predominantly young families) facing financial difficulties and housing problems
- **Young parents support groups** – We have facilitated weekly support groups in Sherborne and Gillingham, offering young parents a physical space to connect, share experiences, and receive guidance
- **Learning & Employability** Weekly face-to-face sessions in Sherborne and Yeovil have provided English and Maths tuition and Level 2 qualifications, while also enabling some students to continue their studies remotely via Zoom. Our Future Is Yours programme has offered one to one support for those young people needing direction and help to move back into formal education, employment, an apprenticeship or volunteering.

- **Gateway projects:** Our gateway projects have included outreach sessions in Gillingham, Sherborne, and Shaftesbury. We have also continued to deliver targeted programmes such as Bekah's cooking sessions for those struggling with socialization, Anxious to Awesome Tuesdays for learners transitioning from one-on-one mental health support, and the new 'Target Thursdays', which combine outreach and place-based work for individuals identified as high-risk through Youth at Risk meetings.
- **Special projects** – We are currently managing the Gillingham Youth Collective project, a collaboration with Gillingham Youth Club funded by The National Lottery Community Fund. This five-year initiative focuses on post-Covid recovery and includes media workshops, events, activities, and youth consultations.

In their own words...

"I just wanted to let you know that I have passed my apprenticeship now and came out with an overall grade of a merit! This wouldn't have happened if it wasn't for your maths tutors being so kind and helpful towards me 😊" – *Young Person*

"You are the best support worker I have ever had. I don't feel as depressed since I've been working with you. I have never got this far with anyone else." – *Young Person*

"Thank you so much for the advice on visualisation it's made me be able to sleep a lot easier and better." – *Young Person*

"Someone helped me along the way. I would like to return the favour and I love helping the young people and The Rendezvous" – *Volunteer Tutor*

"Thank you so much for helping me organise my life without you I would sort nothing out and get none of my paperwork or bills sorted" – *Young Parent*

"I find it much easier to listen to dad and talk things through instead of arguing with him with now. If it does get too much, then I just walk away instead of things getting worse." – *Young Person*

"On outreach last night you spoke to my little brother and his friend!!! We've had really, really, really bad week as a family and it uplifted him. He came home happy for the first time all week, so thank you!!" – *Young Person*

Delivering beyond Sherborne

While our core operations are based in Sherborne, with the support of local grants, we have continued to offer services in Gillingham, Shaftesbury, and Yeovil. Highlights include the Young Parents Group in Gillingham and the Yeovil Learning project. Additionally, our Gillingham Youth Collective, funded by The National Lottery Community Fund, has allowed us to work collaboratively with Gillingham Youth Club and deliver a range of activities ranging from parkour and graffiti workshops to young leadership programmes and film-making.

Staff welfare and development

"I absolutely love being part of The Rendezvous. We have a small but amazing staff team and not only do we help young people, but we encourage, motivate, and look after each other too. I have been here for 17 years, that speaks louder than words about what it's like to work here!" – team member

Our staff team has been facing increasing pressures as the needs of young people have become more complex. Nevertheless, their commitment, motivation and professionalism remain unwavering. They have embraced a mix of centre-based and remote work, attending training sessions, visiting other organizations, participating in supervision, and engaging in multi-agency meetings to share with and learn from other professionals. We value the well-being and development of our staff, recognizing that their dedication is what makes The Rendezvous so effective.

Volunteers

"The Rendezvous is an excellent body doing a brilliant job. I feel both humble and proud to be part of it. As a retired primary teacher it is so rewarding to be able help, in my small way, children who have lost their way in the education system." – Volunteer tutor

Our volunteers play an invaluable role in our organization. From delivering educational sessions to managing our database, their contributions are greatly valued. We were pleased to be able to resume our annual events again, such as the summer Cream Tea for Volunteers and the Christmas drinks. Through the "Room to Reward" scheme, we even had the opportunity to reward our longest-standing volunteer with a voucher for a weekend getaway. Volunteers remind us of our connection to the community and working with young people at The Rendezvous is a privilege they cherish.

Behind the scenes

We have dedicated this year to enhancing our internal systems and processes. Thanks to the financial support from Lloyds Bank Foundation, we have appointed a part-time accountant to manage our increasingly complex financial needs and implement new software packages. Our back-office functions are under review, and will continue to be a focus for development in the coming year to ensure that they need the needs of the charity which has grown considerably in recent years.

Public Benefit unchanged

"I just want to thank you for helping "L" yesterday and for all your help so far. You have really helped "L" and taken a huge weight from our shoulders, thank you." - Parents

Our work continues to align with the Charity Commission's guidance on public benefit, as outlined in the Charities Act 2011. The impact we have on the health, wellbeing, and economic futures of the young people we serve remains evident. Testimonials from parents, young people, and the community demonstrate the positive and tangible difference we make.

Future Developments

Our organisational priorities for the next three years are to:

1. Provide a range of mental health and wellbeing services: This includes offering direct emotional support sessions and indirectly improving personal circumstances through group work and individual support.
2. Offer English/Maths qualifications and support: We will continue to provide educational support, helping young people achieve qualifications and facilitating their transition into education and employment.
3. Develop our work across North Dorset and South Somerset
4. Secure long-term sustainability: Our focus is on achieving financial stability, maintaining an excellent reputation for our work, and being a responsible employer.

Fundraising

As always we remain grateful to our regular donors and grant-giving trusts and foundations. In the past year, we managed 33 grants of varying sizes, some of which concluded during the year, while others will continue into the next.

Multi-year funding from organizations like BBC Children in Need, CABWI, Garfield Weston Foundation, Lloyds Bank Foundation, and The National Lottery Community Fund provide us with increased security that helps us plan for the future.

We are also grateful for the continuing support from Classics at the Castle, Dorset Council, Dorset Community Foundation, Friends of the Yeatman Hospital, Faith in Action, Sherborne and Gillingham Town Councils, Somerset Community Foundation, Sherborne Castle Country Fair, and the United Reformed and Methodist Church.

Financial Review

The year ending 31st March 2023 saw a significant increase in income as a result of pursuing new restricted and unrestricted grant funding which is reflected in the increase of restricted reserves and balance. The largest grant was from The National Lottery Community Fund started on 1st January 2022 and as one of several restricted grants assigned to new projects they will link directly to the increase in expenditure as the projects are implemented.

The Charity completed the year with a surplus of £74,174 (2021/22: £40,469 deficit) and total reserves of £215,009 (2021/22 £140,835). The bank balances reflect the receipt of grants received prior to the end of the financial year but which were for work scheduled to start after 1st April 2023. Some of these are treated as deferred income (see Note 11), but the grant received from Lloyds Bank Foundation for 2023/24 has been included in grants (see Note 2) for 2022/23 to meet the charity SORP requirements. The unrestricted reserve balance is £152,821 (2021/22: £96,264), after allowing for the Trustees provision of £90,000 and the Lloyds grant of £25,000, the free reserves (excluding Fixed Assets at the end of the year) are £37,556. The budget for 2023/24 reflects the challenge of obtaining funding and shows a shortfall, although, it is hoped that some of this gap will be filled by obtaining new funding, this is becoming more challenging each year, thus the Trustees consider it prudent to identify the free reserves for filling any gap in 2023/24.

Reserves Policy

The total reserves held by the Charity as at 31st March 2023 was £215,009, of which £62,188 was restricted. In order to provide the Charity with adequate security and the means to meet its charitable objectives, the Trustees agreed that the Charity's reserves should ideally be around 6 months of operational expenditure, valued at £90,000. Free reserves (excluding Fixed Assets) as at 31st March 2023 are £152,821, the Charity is therefore working within its reserves policy.

Purposes for which the grants were awarded

Mental Health and Wellbeing

Grants were awarded to support our work improving the mental health of young people through one to one sessions and small targeted group work. Funding from BBC Children in Need and Dorset Council supports the one to one work delivered out of school hours at the Sherborne centre and at the local Gryphon School respectively.

Learning and Employability

These restricted grants helped us to deliver our learning programme in Sherborne and Yeovil which includes recruiting and supporting volunteer tutors to work with young people and exam fees, venue costs and resources as well as staffing. The generosity of the three year grant from CABWI has underpinned much of these costs as well as enabling us to grow our fledgling employability programme, The Future is Yours.

Young Parents Support

Dorset Community Foundation (Wessex Water Community Fund) was awarded to provide advice and information sessions through to December 2022. We remain grateful for the support of the Friends of the Yeatman Hospital for their support of work with young parents in Sherborne.

Gateway Projects

These grants are restricted to various projects which have various start and end dates throughout 2022 and include outreach programmes and Bekah's Kitchen. In the aftermath of the pandemic, delivery of some of these programmes was disrupted but remain ringfenced for those specific project.

The first instalment of a five-year National Lottery Community Fund project was received in January 2022. The "Gillingham Youth Collective" is a new partnership project led by the Rendezvous with Gillingham Youth Club to develop a broad programme of work for young people in the Gillingham area of Dorset which is going through a period of rapid growth and has a history of under-funding. Gillingham Youth Club receive funding from the grant to deliver a Young Leaders programme.

Purposes for which the grants were awarded

Mental Health and Wellbeing

Grants were awarded to support our individual one to one work with young people and small targeted group work around anxiety. The three year small grant from BBC Children in Need which funded out of school work with young people under 18 came to an end during the year whilst funding from Dorset Council and Friends of the Yeatman Hospital runs to August 2022.

Learning and Employability

These funds supported costs of our learning and employability programme in Sherborne and Yeovil with Somerset Community Foundation, the Somerset Youth Fund (Can we change this to Seedbed) and Rotary funding being restricted to Somerset and Dorset Council funding restricted to Sherborne.

Young Parents Support

Dorset Community Foundation (Wessex Water Community Fund) was awarded to provide advice and information sessions through to December 2022. TNL Awards for All funding supported general costs of running the groups and was carried over and completed from the previous year when Covid restrictions caused a pause in the group delivery.

Gateway Projects

These grants are restricted to various projects which have various start and end dates throughout 2022 and include outreach programmes, Bekah's Kitchen and the first instalment of the National Lottery Community Fund project, "Gillingham Youth Collective" which is a five year (January 2022 to December 2026) partnership with Gillingham Youth Club developing a new programme of work for young people in that area of Dorset. Delivery of outreach in Gillingham was interrupted as a result of the pandemic but remained ring-fenced and does not include costs of producing the community film, "Find Your Way" and funds are allocated to August 2022.
